Kathy and Ruth

Welcome back and thank you personally for all the personal sacrifices you had to make during this crazy shut down. You are awesome public servants and you deserve better than the last 35 days.

I am attaching the tribal webinar summary (you received the workshop summary just before the shutdown). Edit away!!! There are a few marinations in yellow where there is an immediate action or I am not sure if the statement is accurate.

I will be in a meeting most of Monday and the rest of the week, but will try and connect Monday and Tuesday to warm up our AW engines once again.
